NDIS Support Coordination

At MacKillop Family Services we assist you to maximize the outcomes of your NDIS plan by tailoring our supports to meet your individual needs.

MacKillop's Support Coordination promotes choice and control by enhancing your ability to manage and direct your NDIS Plan. Our expert Support Coordinators can assist you to navigate the complex transitional stages and achieve your goals.

We also offer Specialist Support Coordination

Our Specialist Support Coordination team have extensive experience and training to support people with more complex and intensive needs. We will help you to overcome the challenges or barriers you may face and reduce risks.

Your MacKillop Support Coordinator will:

- Help you to direct the NDIS through the different phases of your NDIS
- Help you to understand your NDIS Plan and how to use it effectively
- Help you find and access the services that are right for you
- Work with you to develop your plan budget
- Assist you to access the MyPlace NDIS Portal
- Connect you with supports within the community and/or access to employment
- Monitor your goals and supports and help you prepare for any future NDIA planning meetings

And much more, such as connecting you to therapists that can support your needs and/or working within a care team of professionals to increase the impact that NDIS services can have in your life.
